SPARTANMOTORS.COM

Subject: NFPA 1911 required Driver Operator Inspection One course available in Lansing!

The 2020 Spartan Motors Fire Truck Training Conference is expanding beyond the fire truck maintenance technician to offer the Driver Operator Inspection 1 class for drivers of all fire apparatus as required.

The DO1 class covers the daily and weekly inspection requirements of NFPA 1911, and will be instructed by Mr. Alan Conkle, Executive Director of the Ohio Association of Emergency Vehicle Technicians.

Cost: \$140.00
Meals Included

When: Wednesday September 30, 2020 & Thursday October 1, 2020
8:30am – 4:30pm each day (2 day course)

Where: The Lansing Center
Room 201
333 E. Michigan Avenue
Lansing, MI 48933

EVT Certification: Students must be pre-registered by 21 days with www.evtcc.org to take the test on 9/27/2020 and/or 10/2/2020

If you have any questions on the course, or to register please contact Greg Rinehart at 517-543-6400 ext: 3122 or email at greg.rinehart@spartanmotors.com

If you or anyone in your department would like information on the Fire Truck Training Conference, please visit <https://emergencyresponse.spartanmotors.com/events/fttc2020/>

Don't miss the opportunity to celebrate 26 years of emergency vehicle training. We look forward to seeing you this fall!
