

# ***Michigan EMS Education eLearning Summit***

Information sharing from those that have engaged in innovative practices, particularly in the face of education needs during COVID-19; including the administration, teaching and evaluation of students remotely! Michigan EMS IC Continuing Education credit has been approved by MDHHS and will be provided to those that meet attendance requirements.

## **Friday, September 18, 2020**

### **8:30am-12:15pm**

#### **Agenda**

5 minutes before & after each session will be used for attendance confirmation and evaluation—you must be registered for the Summit and be present throughout an hour-long session to receive CE for that session!

- 08:30 Log-in; (relax with your own morning beverage); confirm connection; prepare to learn!
- 08:40 Registration and attendance confirmation for Session 1:
