

MICHIGAN FIRE SERVICE INSTRUCTORS ASSOCIATION

National Fire Academy's Health and Safety Program Manager – F0722

January 16 – 17, 2021

This **FREE** two-day course is designed to provide fire, Emergency Medical Services department personnel, and other related emergency responders with the aptitudes and abilities necessary to manage the duties and responsibilities of the Health and Safety Program Manager (HSPM) within their respective organizations. Successful completion of this course will enable participants to:

- *Adapt the HSPM roles and responsibilities while applying risk management health and safety concepts within their organization to determine system-wide needs and to develop support to institutionalize opportunities to meet the needs assessment.*
- *Evaluate and prioritize health and safety related strengths and weaknesses within their organizations.*
- *Evaluate the environmental barriers affecting the implementation and impact of the organization's safety and health programs.*
- *Evaluate and integrate the organization's and individual's responsibility to impact health and wellness positively.*

Application/Registration: Students wanting to attend the course need to sign up through the below listed Google Link:

<https://forms.gle/TRGg4TmFXSsz7BJJ6>

The MFSIA is looking to have at least 15 applicants registered no later than **November 15, 2020**. Space is limited to 25 students.

This course will also be registered in SMOKE and attendees will be added into the SMOKE system on January 16th, once the participant list is solidified and attendance is verified.

FEMA SID Required: Participants will need to bring their personalized NFA SID in order to complete the required FEMA paperwork and attend the class.
