

MICHIGAN FIRE SERVICE INSTRUCTORS ASSOCIATION

INNOVATIVE INSTRUCTOR OF THE YEAR NOMINATION

If you are a member of the MICHIGAN FIRE SERVICE INSTRUCTORS ASSOCIATION and know of someone that meets the following criteria, and would like to nominate him or her for the 'Innovative Instructor of the Year' award, please turn in your nomination in writing. The Innovative Instructor of the Year Award marks individual accomplishment. In the context of innovation may be linked to positive changes in efficiency, productivity, strategies or safety in the areas of training carrying over to the fire ground, producing results like nothing ever experienced or created before. Therefore, while members of an instructional team or ad hoc training group, for example, will be considered; nominations in the name of a fire department or training academy are not eligible.

Nomination criteria:

1. Hold a minimum of FF I Certificate issued by State of Michigan (BFS/FFTD/FFTC)
 2. Be nominated by a member of MFSIA.
 3. Has made a difference in the fire service by an innovative idea(s) in the current year of nomination.
 - 4. Must be received by October 1, of that year**
